One of my two Springfield cases for tomorrow has been changed to a conference, so I don't need to worry about that one. As for my other Springfield case, that ADA has not let me known one way or the other about his case (though he did e-mail me thanking me for sending him an updated CV, so I know he has checked his email). With that said, do you want to have me on call, or would it be easier for you to have me there at 9ish (or when)? Thanks.

Hi Janine-

I know it may be a little early, but I'm just checking in to see if there have been any changes in the [REDACTED] case scheduled for trial on November 17, 2010 that affect me? I'm curious as I have a couple of Springfield District Court cases that day (I'm on call) and want to keep them informed of my availability. Thanks.
